## ANSWERING A CALL

**1**

To answer an incoming call pick up the handset.

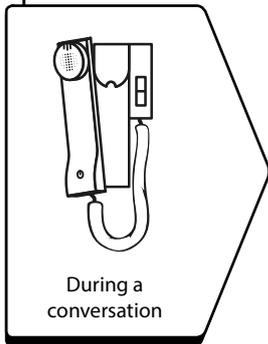

**2**

With the handset lifted a conversation with the caller can begin.

**3**

To end the call replace the handset back on the cradle.

## TO OPEN THE DOOR

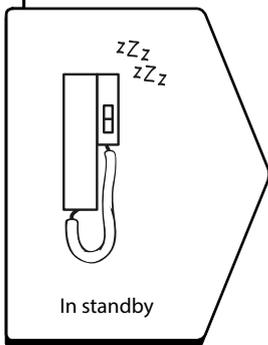

**1**

With the handset lifted, press the lock button to operate the lock.

**2**

To end the call replace the handset back on the cradle.

## MAKING AN INTERCOMMUNICATING CALL (BETWEEN AUDIOPHONES)

**1**

Pick up the handset. Press the additional service button to call the other intercommunicating phone.

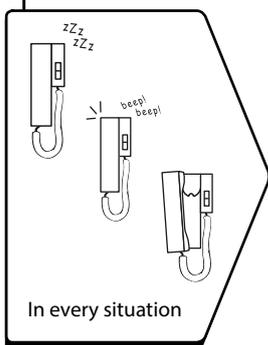

**2**

When the phone which is called rings, it can be answered and a 2 way conversation between the caller and receiver can begin.

**3**

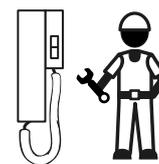

To end the call/conversation between the phones replace the handsets back on the cradle.

## CALL TONE VOLUME ADJUSTMENT (CALL TONE ONLY)

Move the volume switch to the lower position to set the call tone volume to low, to the middle position to set the call tone volume to medium and to the upper position to set the call tone volume to high.
