Pure french Elegance

The right choice in total confidence...

LA TOULOUSAINE, 60 YEARS OF CONSUMER CONFIDENCE!!!

Over the past six decades, La Toulousaine has developed extensive expertise in designing reliable products of the highest quality.

Our experts and industrial facilities are located at our Toulouse site. Our frequently patented accessories are extensively trialed at our test center.

Three hundred technicians, designers, operators and customer service personnel work together to better respond to your needs: every situation has a solution!

Thanks to our sixty years of experience, we have established the largest network of recommended professionals in France.

A premium product also requires high-quality installation. Having installed over one million products in Europe, French manufacturer La Toulousaine is without doubt an industry benchmark for high-end products.

A solution to all your needs!

MARINE'S TESTIMONIAL

"We turned to La Toulousaine for the installation* of a gate and a garage door. We are absolutely delighted with our choice. Our contact person listened to us carefully and answered all our questions. The products offered perfectly matched the way we wanted our home entrance to look.

In addition, the delivery and installation were done very quickly. Once the product was installed, we were fully convinced that La Toulousaine is a reliable company that really listens to its customers. The finish is absolutely beautiful and adds real character to our home. Thank you to the team at La Toulousaine."

PATENTED EXPERTISE

25-YEAR
WARRANTY

MECA'CLAV® ASSEMBLY SYSTEM

Designed to last and custom-made, LA TOULOUSAINÉ solutions benefit from MECA'CLAV® technology, ensuring the total rigidity of the frame without altering product design.

RESISTANCE

Our innovative and patented assembly system ensures our products stand the test of time. This technology allows us to provide you with a 25-year⁽¹⁾ warranty on the manufacturing of our products.

STRENGTH AND FINESSE

Made up of multi-chamber sections, our Méca'Clav® system provides our gates with exceptional resistance while offering the sleekest models on the market.

Powder coating

OPT FOR THE HIGHEST QUALITY!

PERFECT FINISHES

Once assembled, we lacquer our gates on our automated production line, thus guaranteeing the highest quality. Having complete control over our treatment and powder coating processes makes it possible to achieve an even finish in a wide variety of colors and textures. Confident in the quality of our products, our paints come with a 25-year⁽¹⁾ warranty and a 5-year warranty on color consistency.

LACQUERING

La Toulousaine has selected AkzoNobel Powder Coatings, world leader in its field. All our selected powder coatings meet the main Qualicoat Class 2, GSB and AAMA 2604 standards and have been developed with over 30 years of experience. The original Interpon collections have been used to decorate prestigious monuments all over the world such as The Shard in London or the Tour First in Paris.

A CONTROLLED PROCESS

By combining high-quality aluminum alloys, reinforced chemical surface treatment and a powder coating process, we meet the requirements of the Qualimarine and Qualicoat Seaside⁽¹⁾ quality labels.
